

REMARKS

Claims 1-8, 11, 14, 17, 18, 20, 22-30, 32, 34-49, 51-55 and 57-66 remain pending in the present application. Claims 9, 10, 12, 13, 15, 16, 19, 21, 31, 33, 50 and 56 have been canceled. Pursuant to the Outstanding Office Action, the amendments above are believed to place the Application into condition for allowance. Applicants hereby reserve the right to present the canceled claims in continuing applications. A terminal disclaimer has been filed herewith in order to overcome the provisional obviousness-type double patenting rejection. Applicants appreciate the Examiner's review of the application.

For the foregoing reasons, it is respectfully submitted that all of the Examiner's objections have been overcome and that the application is in condition for allowance. Hence, allowance of these claims and passage to issue of the application are solicited.

If the Examiner has any questions concerning this case, the Examiner is respectfully requested to contact Mike Pritzkau at 303-410-9254.

Respectfully submitted,

Michael M. Pritzkau  
Reg. No. 37,913
